### **FOR IMMEDIATE RELEASE**

## **Central Fairfax Services Receives \$2,750 Grant**

CFS Selected to Participate in 2010 ExxonMobil Community Summer Jobs Program

Springfield, Virginia – Central Fairfax Services, Inc. (CFS) is pleased to announce it has received a grant in the amount of \$2,750 from ExxonMobil as part of the 2010 ExxonMobil Community Summer Jobs Program. The grant will support one summer intern at CFS.

“This is CFS’s 6<sup>th</sup> year to receive the Community Summer Jobs program award,” explained Jacque Scholl, Human Resources Manager for CFS. “It is a valuable experience for any college student to participate in where he/she can learn about the non-profit world inside and out. The student also has the opportunity to learn about the services provided by the agency from a variety of perspectives depending upon the focus of the internship. I highly recommend this internship opportunity!”

The ExxonMobil Community Summer Jobs Program is administered through Volunteer Fairfax. The selection process is competitive, as many non-profit organizations compete to participate in the program. CFS was “chosen due to the anticipated value of your position to the student intern, your agency, and the community,” per the award letter.

Central Fairfax Services, Inc. is a day support program providing developmental services, vocational training, sheltered workshop and supported employment to
