

INCLEMENT WEATHER PROCEDURES

As winter approaches, I would like to remind everyone of the CFS schedule during inclement weather. CFS openings and closings are based on decisions made by the **Fairfax County Public Schools** (FCPS) and/or FASTRAN. Private transportation providers *must* follow the FCPS and FASTRAN decisions.

School Cancellation

In the event that the FCPS are **closed** due to snow, ice, or other emergencies, CFS will be **closed for program services**.

Late Opening of FCPS

If the FCPS open late, transportation providers should follow the FCPS schedule. CFS will be open for services.

Early Closing of FCPS

If the FCPS close early, transportation providers should begin homeward bound transportation early by the same time period. CFS will remain open until the last person has boarded his or her transportation.

Schools Not in Session

When the FCPS are not in session (i.e., winter vacation, teacher work days), CFS will open/close in accordance with the operating decisions made by FASTRAN. If FASTRAN does **not** operate, CFS will be **closed** for program services. FASTRAN should announce its schedule on local television and radio stations. You may also call the CFS main number at 703-354-0900 for recorded information.

Let's hope for a mild winter. Should you have any questions, please do not hesitate to call. Thank you for your cooperation.
